

Robert Juliat Dalis Access 863

Dalis Access 863 features a four-colour mixing system and 24 of the patented Dalis asymmetrical micro-reflectors.

The batten delivers powerful, smooth coverage and a fair variety of pastel and saturated colours. It incorporates four coloured LED emitters (red, green, royal blue and warm white 2200K). Equipped with an advanced fanless cooling system, Dalis Access is equally perfect for cyclorama or footlight applications.

Physical

Size of Unit	1005 x 155 x 117mm
Item Weight	9.3kg
Quantity in Case	6
Size of Unit Cased	1330 x 560 x 470mm
Cased Weight	86kg

Electrical

Rated Power	150w
Input Power	100-240v 50/60Hz
Power Connection	TrueCon

Mounting Options

Hanging Type	M10 Bolt Trigger Clamp
Freestanding	Yes
Expo LX	No

Optical

Light Source	24 x 6.5w RGBW LED
Beam Angle	90°
Colour Temperature	6000k max
CRI	80
Light Output 2m	N/A
Light Output 4m	N/A
Light Output 6m	N/A

Control

Control Method	Stand alone/ DMX/ RDM/ Art-Ned/ sACN
DMX Mode	9, 14, 38, 40ch
DMX Channel List	-
DMX Connection Types	5pin XLR in/out/ Ethernet In

Environmental

IP Rating	IP20
Cooling	Convections
Max Operating Temperature	5° ~ 40°

Suitability

Cyc Light/ Foot Light/ Wall Light
Indoor Use Only

Accessories Included

2 x M10 Bolt Trigger Clamp
1 x Safety chain
1 x Power lead
